Dear Parents,

With the end of school approaching, there are several reasons why your student may want to consider attending summer school. Two major considerations include:

1. Credit Advancement: required graduation courses taken during summer to open up opportunities to take other courses during the year.
2. Credit Recovery: courses in which the student received a D or F.

Enclosed with this letter you will find the registration form, courses offered and dress standards.

WCHS Dress Code Summer 2017

At Whittier Christian we want to create an environment that is set up for students to thrive and become all that God has designed them to be. Part of that process is to have a dress code that eliminates distractions and reflects professional standards and modesty. As with all aspects of school life, parental support is important and appreciated. Please review the Dress Code standards and review your child's apparel before leaving for school. If you have questions, please contact the Director of Student Life.

WCHS reserves the right to make the final decision regarding dress code and the appropriateness of a student’s apparel. When a student’s outfit is out of dress code, he or she will be sent to the School Office to receive alternative clothing. Any WCHS faculty or staff member may identify a student as being out of dress code. Consequences for dress code violations are as follows:

1st Offense – Student will be required to change into WCHS provided clothing and will receive a warning.

2nd Offense – Student will be required to change into WCHS provided clothing, assigned a lunch detention and parents will be called.
