

DRESS CODE STANDARDS 2015-16

At Whittier Christian we strive to create an environment where students can thrive and become all that God has designed them to be. Part of that process involves a dress code that eliminates distractions and reflects professional standards of modesty. As with all aspects of school life, parental support is important and appreciated. Please review the Dress Code standards and review your child's apparel before leaving for school. (OVER)

WCHS reserves the right to make the final decision regarding dress code and the appropriateness of a student's apparel. When a student's outfit is out of dress code, he or she will be sent to the School Office to receive alternative clothing. Any WCHS faculty or staff member may identify a student as being out of dress code.

Consequences for dress code violations are as follows:

- 1st Offense – Student will be required to change into WCHS provided clothing
- 2nd Offense – Student will be required to change into WCHS provided clothing and parents will be called.
- 3rd Offense – Student will be required to change into WCHS provided clothing and will receive after-school detention. Parents will be required to meet with Director of Student Life.

Additional dress code violations may result in increased disciplinary measures.

Separate dress code guidelines for school activities and dances may be given at the time of the event. If no additional guidelines are given, the above-listed school dress code is in effect and students should choose clothing that meets those guidelines.
