COMMISSIONER'S MESSAGE

WELCOME TO THE CIF SOUTHERN SECTION-FORD CHAMPIONSHIP FINALS

I congratulate each and every one of our student-athletes, coaches, administrations, and communities for this outstanding achievement. I thank all of you for your dedication and commitment to representing excellence on the playing fields, along with exemplifying the highest ideals of sportsmanship and character among our 562 member high schools in the CIF Southern Section.

The CIF Southern Section was founded in 1913. Since our inception, we have always been, first and foremost, an educational institution dedicated to teaching young people valuable lessons they can utilize to make them better students now and better people for the future. We believe that the high school student who participates in athletics at their school will learn so many important values that will translate into success later in life. The ideals of teamwork, discipline, responsibility, perseverance through adversity and goal setting are all examples of important concepts taught to our young people through the outstanding leadership provided by our principals, athletic directors, and teacher/coaches.

I look forward to the outstanding competition that is to come and seeing our young people pursue and realize their dreams. Let us all pledge to continue to support and celebrate them today, tomorrow and always.

All the best,

Robert Wigod
